

CARVE

Participation Assessment Expectations

Communication

Student communicates in a direct and honest fashion, asks appropriate questions, and makes clear his or her observations and concerns. Student also receives information patiently and makes every effort to understand.

Attitude

Student expresses an interest and enthusiasm in his or her work and a willingness to rise to a challenge. Student is cooperative and open to discussion of material and procedures. Demonstrates appreciation for learning.

Respect

Student shows respect for the subject, the teacher, and his or her environment. He or she is polite and behaves in a manner befitting the classroom.

Values Time

Student arrives promptly and uses time productively. Materials and assignments are organized.

Engagement

Student demonstrates engagement and intellectual curiosity through active participation in class, asking questions, staying on topic, completing tasks, and showing initiative.
