

ALPENGLOW INTERNSHIP - Cooking & Meal Prep

Mount Snow Academy seeks energetic college graduates to participate in our Alpenglouw Internship Program. This is an exciting opportunity for recent graduates to spend the winter skiing or riding while gaining experience in a vibrant, competitive, and focused environment. The program runs from October 29, 2020 through April 1, 2021.

Mount Snow Academy is a winter sports academy in southern Vermont. All of our classes are taught one-on-one and we maintain a high academic standard while fostering each student's unique athletic calling. Our students compete at the local, state, regional and national levels, and developments in the facility have improved our program and spurred recent growth. Our new campus has allowed us to house the residential, academic and athletic programs under one roof. We are on the map and growing by leaps and bounds. Alpenglouw Interns are an integral part of this growth.

We seek candidates who have recently graduated from college and are passionate about cooking, education, winter sports and working with kids. Successful candidates will have kitchen experience (through culinary programs or previous work experience), be flexible, patient, and willing to learn on the job. Joie de vivre and positive energy are essential. This is a great way to kick-start a career and enjoy your favorite winter sport while building your resume. In addition to life-long memories, MSA provides interns with room, board, a season pass to Mount Snow, and a stipend based on overall duties.

College seniors and recent graduates should submit a resume, cover letter, and three references to Amanda DeMaria, Director of Student Life: ademaria@mountsnowacademy.org.
